CHICKEN WING CORNER

Our wings are slow-smoked to perfection over apple and beech wood, a duo that delivers a medium, slightly sweet symphony of flavour. After their smokey serenade, they're fried until irresistibly crisp and then tossed in the sauce and coating of your choice. Enjoy this cluckin' masterpiece!

Choose your kick: our coatings lineup includes BBQ Sauce, fiery Hot Sauce, and Adult Ketchup—warning: it's hotter than hot! Feeling daring? Spin the flavour roulette and dive into a random mix of coatings that's perfect for sharing (if you can handle the heat!).
